Home Page

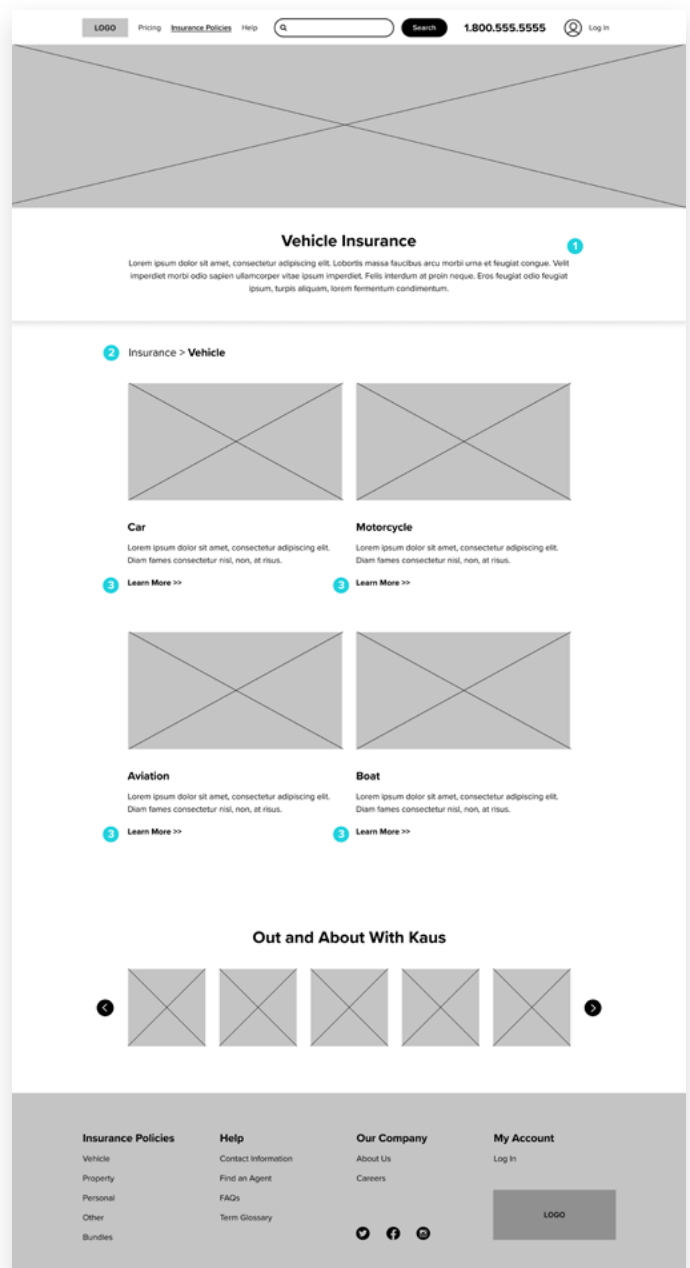

- 1 The search function will offer suggestions based off of popular searches, as well as categorized search items.
- 2 This is a drop-down where you can choose the policy you want to quote.
- 3 By pressing this icon your device will fill in the text field with your current location's zip code. (You can also type inside this field.)
- 4 When you hit Get a Quote it will automatically populate your information on the first page of the Pricing form.
- 5 This grid will be comprised of groups of icons with text. Each group will link to the corresponding Policy Category page.
- 6 The testimonials will automatically fade in and out on a set timer.
- 7 File a Claim and Track a Claim will link to a Log In page if not already logged in. If already logged in they will link to the Manage Claims page in the Accounts Dashboard.
- 8 Find an Agent will work similar to the Zip Code field. When you click on the button it will link to the Find an Agent page which will provide a map and a list of agents in the area.
- 9 Learn More >> under Term Glossary and FAQs will link to those corresponding pages.
- 10 Out and About With Kaus is a carousel that slides through the latest Kaus Instagram posts. This will be present on all pages except for anything in the Pricing pages and the Account Dashboard.

Quote Generator Page

- 1 This progress bar will move forward with each page completion. A large filled-in circle will appear under a section title after it is completed and the section title will turn bold.
- 2 These fields will be auto-populated if page is accessed via a Get a Quote button from the Home page or detailed Policy page. If Pricing is accessed from the main Navigation menu nothing will be auto-populated.
- 3 These are drop-down options with predetermined terms.
- 4 Zip Code field works the same as it does on the home page.
- 5 From the second step onward you will have the option to use the Previous Step button, but not on the first page.
- 6 You have the option to stop and resume a quote later. When this is clicked it will ask for an email address, so it can remember you. This link can be used at anytime during the process.

The wireframe shows a quote generator page with a progress bar at the top. The progress bar has a filled circle under the 'Start' step and a grey circle under the 'Vehicles' step. The main content area is titled 'Let's Start With The Basics.' and contains a form with the following sections:

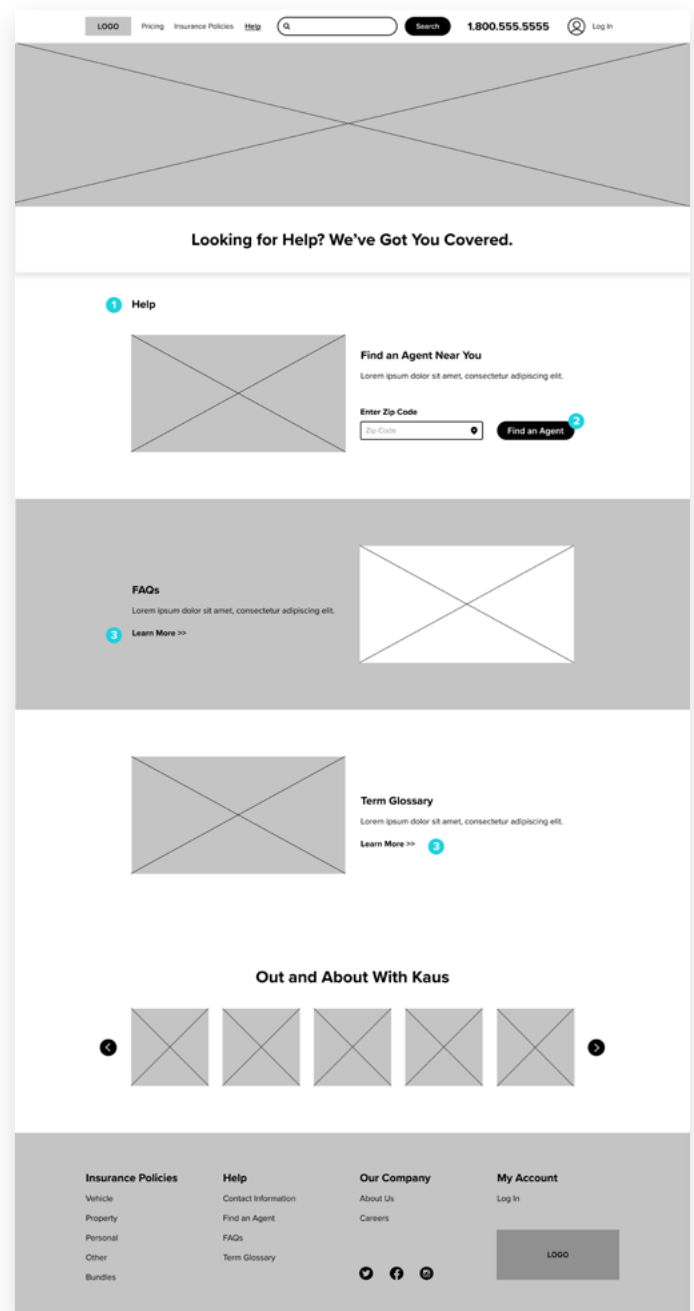

- Select a Policy:** A dropdown menu labeled 'Policy' with a '3' next to it.
- Name and Birthdate:** Fields for 'First Name', 'Last Name', and 'Birthdate'. A 'Suffix' dropdown menu is next to the 'Last Name' field, with a '3' next to it.
- Mailing Address:** Fields for 'Street Number and Name', 'Apt/Suite #', 'City', 'State', and 'Zip Code'. A '2' is next to the 'City' field, and a '4' is next to the 'Zip Code' field.
- Navigation:** Buttons for '← Previous Step' (with a '5' next to it), 'Stop Quote and Resume Later' (with a '6' next to it), and 'Next Step →'.

The footer contains four columns of links: 'Insurance Policies' (Vehicle, Property, Personal, Other, Bundles), 'Help' (Contact Information, Find an Agent, FAQs, Term Glossary), 'Our Company' (About Us, Careers), and 'My Account' (Log In). There is also a 'LOGO' button and social media icons for Twitter, Facebook, and LinkedIn.

My Account/Account Dashboard

- 1 This message will always be tailored to the account owner. If a payment is overdue or there is an issue with a claim it will say so in the welcome message.
- 2 This will act as a secondary Navigation menu. Once a page is selected breadcrumbs will show on the next line.
- 3 This section will list any impending payments and the corresponding insurance policy/due date.
- 4 This section will list the three most current payments. The button will link to a page with a list of all payment history, as well as the option to make a payment or set up automatic payments.
- 5 This section will list your most recent three policies, their category, and status. Manage Policies will link to a new page that lists all policy history and allows you to change, add, or cancel policies.
- 6 This section will inform the account owner of the status of any claims. Manage Claims will link to a new page shows all claims history, allows the user to file a new claim, and allows the user to track the status of any pending claims.
- 7 These icons and phone numbers/addresses will link to either call or find the address on a map.
- 8 View More Providers will link to a page with a map and more providers listed in your listed home address area on your policies.
- 9 This Zip Code will work similar to the one on the Home page.
- 10 Find Providers Near You links to a map that shows providers within range of the provided Zip Code for when you need medical assistance, but are not near your home address.
- 11 You can log out of your account by either clicking on the button at the bottom of the screen or in the main navigation. Once logged out you will be sent back to the home screen.
